Dear Christopher,

I'm writing you to give you a BIG "Thank You!" for a wonderful show at our company holiday party on December 16, 2006. As we discussed, I was very nervous about hiring a magician to entertain our group, but you were GREAT! I appreciate your professionalism, humor, and ability to "read a room" greatly. This was my first company gathering to organize with Cerasis, and thanks to you I was told (by the owner of the company) that I have lifted the bar! I am honored to be added to your list of satisfied customers, and would happily give a glowing reference if ever needed.

Thank you so much!

Kind Regards,

Sheila Gunn
